fitness. life. style.

EXIF09-INT : iFit Live Module Optional

Polar Chest Included

#### DualFlex™ Cushioning System

This air-based, shock cushioning system reduces impact on your joints and delivers a more comfortable running surface.

#### Space Saver® Design with EasyLift™ Assist

This patented, revolutionary design allows your treadmill to fold vertically for storage. To make it even easier, this treadmill includes a powerful shock that will help lift the deck with an easy push.

#### Dual-Grip EKG™ Heart Rate Monitor and Polar Chest

Make the most out of every workout by monitoring your heart rate with sensors built right into the handlebars. Monitor your heart rate with these convenient built-in handlebar sensors or use the Polar Chest Strap included.

#### Nike + iPod® Compatible

Track your performance with Nike + iPod®! It's the fastest, easiest way to stay in touch with your workout. Simply connect your iPod®, work out and then sync your results online at Nikeplus.com. iPod is a registered trademark of Apple Inc., registered in the US and other countries. Nike and Cardiomiles are registered trademarks of NIKE, Inc. and its affiliated companies. iPod is for legal or rightholder-authorized copying only. Don't steal music.

#### iFit Live™ Compatible

Get smarter workouts and faster results with iFit Live™. Featuring workouts powered by Google Maps™, training with Jillian Michaels and automatic speed and incline controls, this wireless technology is the ultimate workout experience! Now you can customize your own fitness program, receive automatic workout downloads and manage your profile online.

\*Requires iFit Live™ wireless adapter. Wireless adapter sold separately. Google and Google Maps are registered trademarks of Google, Inc.

#### Multi-Window LED Display

LED displays are easier to read than LCD's and make keeping track of your workout that much better. This display tracks your speed, time, distance and calories burned so you can monitor your progress throughout your workout.

#### CoolAire™ Workout Fan

Stay cool and fresh during your workout with the innovative CoolAire® Workout Fan. You'll stay comfortable, enabling you to work out longer so you can reach your goals faster. The sophisticated fan is built right into the console, just like the AC in your car, allowing you to quickly adjust the settings.

#### 8 Calories Burned Goals Programs

Ideal for the persons interested in weight loss! These programs are built to allow you to lose a maximum of calories. Select the number of Calories you want to burn then choose the duration of workout and the program will make the rest! Choose between 4 programs weight loss based on intervals and 4 programs weight loss of fast type or "Accelerator" to have the results you want!

#### 8 Performance Goals Programs

Run safer, longer and quieter with the 8 Performance programs. Choose between 4 Speed programs and 4 Endurance programs designed by a Certified Personal Trainer and automatically adjusts your speed and incline to match the workout.

#### Compatible Music Port for iPod®

Move to the beat of your favorite music with this built-in sound system. Plug your iPod®, or MP3 Player, into the Interplay® Music Port for unbeatable sound quality. With the iPod® resting on the console shelf, it's within easy reach and leaves the controls right at your fingertips. \* iPod is a trademark of Apple, Inc., registered in the US and other countries. iPod® not included.

#### Intermix Acoustics™ 2.0

Enjoy your favorite media with this built-in sound system that produces a broad range of frequencies and rich, equalized sound.

#### Think about the planet and "Love the World"!

Each NordicTrack products are "Love the World" certified which means that NordicTrack compensate all carbon emission generate by the Development, Production, Transportation and use of this machine. So stay confident and think about the planet when you acquire this fitness equipment.
